Dear Sir:

RESPONSE TO OFFICE ACTION DATED MARCH 6, 2003

Applicants hereby respond to the office action dated March 6, 2003. This response is being timely filed along with a petition for extension of time and the required fee.

Initially, Applicants direct the Examiner's attention to the fact that the present application was filed as a continuation of Application No. 08/592,132 filed January 26, 1996 and issued February 6, 2001 as U.S. Patent No 6,185,506. The Filing Receipt incorrectly references the present application as a divisional application of Application No. 08/592,132. Applicants are prepared to file a terminal disclaimer if required by the Examiner.
